The Minnesota Sex Offender Program (MSOP) provides comprehensive services to individuals who have been civilly committed as sexual psychopathic personalities or sexually dangerous persons. MSOP clients have the opportunity to participate in comprehensive sex offender-specific treatment with the possibility of successful reintegration into the community.

MSOP offers professionals the opportunity to be part of an organization that is committed to its staff, clients and the community. MSOP values professional development and provides ongoing state-of-the-art training and outside professional supervision toward professional licensure for its staff.
